

Outdoor Activity Club: Permission form

New Club! Do you enjoy the outdoors? Would you like to try something you may have never tried before? Put down the remote control, game controller, or what ever keeps you indoors and come join the club that will get you outdoors. Plans are to explore archery, orienteering, fishing, camping and much more. Be a part of our first year and help build a great new program. If you are a great hunter, fisherman, camper or whatever your expertise, come share it with others. Come and enjoy the world outdoors.
