

PTA Membership

2011-12

Dear Sunny Pointe Parents,

Welcome back!! Another school year is upon us and we can't think of a better way to start the school year that to support all of our kids at Sunny Pointe Elementary by purchasing a PTA membership. Our PTA helps provide field trips, parties, extra transportation, carnival, track & field day and so much more for our kids. Also, you receive coupons by joining and are entered into drawings to win other prizes and you help our school win awards! Joining PTA does not mean that you have to volunteer your time for something unless you want to! There is a separate form for this and we do encourage all who want to volunteer to do so.

Joining the PTA is the very best way to support your child at school...so join us today!! Thanks in advance for your support from your PTA Membership Committee.

Jennifer Segura

PTA Membership - \$5 per child

I have enclosed \$_____ for a PTA membership. (cash or check made payable to SPE PTA)
