

February, 2011

Dear PAT Families,

Hopefully the worst of winter is behind us and we can "think Spring". One of our spring events is Ready, Set, Off to Kindergarten! If you have a child who will be age appropriate (five years, or before July 31, 2011) for kindergarten in August 2011, this event will provide you with everything you need to make his/her experience perfect! Ready, Set, Off to Kindergarten! is March 22nd at Cordill-Mason Elementary located at 4001 SW Christiansen Road Blue Springs, MO 64014, at 7:00 pm.

We value the strong relationships that our parent educators have established over time with each of their families. Thank you for your patience as we continue toward our goal of the opportunity to visit with each of you and your child/children.

Tired of being cooped up inside? Join us in the Success by Six Resource Room on Tuesdays from 10 am - 2 pm or any other day by appointment (224-1740). The room offers a place to play, books, learning activities and toys for children to play with or check out as well as literature on parenting and child development.
