<p>I am the parent/legal guardian of the student named above and give permission for the student to participate in the 1Million Project. The 1Million Project is focused on providing internet access to students without current in-home connectivity.</p> <p>I certify that my student does not have internet access in home and 1Million Project will be the sole source of my student's in-home internet access. A lack of home internet access means one of the following:</p> <ul style="list-style-type: none"> <li>a. No internet access in the home</li> <li>b. Multiple students in the household with access to a single computer</li> <li>c. Dial up internet at home</li> </ul> <p>In order for my student to participate in the 1Million Project, I consent to my student's school providing the information requested at the top of this form directly to the 1Million Project Foundation, which will not be used for any other purpose than my student's participation in the 1Million Project and will not release this information to any other person or entity except as required by law.</p> <p>I understand my student will receive a wireless device along with internet access for academic purposes. I understand students who do not use their hotspot for consecutive months may be asked to return the hotspot and charger to the school so it can be reassigned to someone in need. I understand my student must comply with the school's Device Management Policy. In consideration of the benefits my student will receive through participation in the 1Million Project, I waive any and all claims against 1Million Project Foundation, and Sprint, their successors and assigns, related to participation in the 1Million Project.</p> <p>I certify all information on this form is correct and that I have the authority to provide the consent.</p>
