

## **BR Carpet/Overhead Door Nicholas Bowman Memorial Scholarship**

This fund was established in memory of Nicholas Bowman. Nick was a 2007 graduate of Blue Springs High School. He played football and wrestled for the Wildcats along with working part time during his high school career. From the time he was young, Nick loved taking things apart just to see how they worked and enjoyed the challenge of putting them back to working condition. After graduation Nick tried the college route but soon found this was not a good fit. Nick fortunately found a career opportunity at Overhead Door. They shared a mutual appreciation of each other, Nick as the hardworking apprentice and Overhead Door continually challenging and teaching him new skills. Nick was fortunate to have the financial support from family to purchase supplies and tools to begin his career at Overhead Door. Knowing that these resources are not always available to those seeking a similar trade path as Nick it is in this spirit that we have established this scholarship in Nick's memory.
