

Blue Springs Education Foundation Scholarship Criteria

The Blue Springs Education Foundation is seeking applications from the senior class at each of the three high schools: Blue Springs High School, Blue Springs South High School and Valley View High School. Recipients will be awarded a \$1,000.00 scholarship from the Blue Springs Education Foundation. Students will be honored and receive recognition at the *Blue Springs Education Foundation Reception in April*. Recipients of this scholarship may apply for renewal with qualifying enrollment documentation for three additional years. The initial scholarship will be awarded based on the following criteria:

- Students with need, due to difficult circumstances
- Students with potential to pursue a college education or post high school training
- Students who are ambitious and hard working
- Students left “out of the loop” who may not otherwise apply for a scholarship
- Letter of support and personal essay included with the application and cover sheet

The Blue Springs Education Foundation requests that principals, counselors and/or teachers encourage deserving students to apply for this renewable scholarship. Along with the application, a letter of support from the principal, counselor and/or teacher is required for each applicant, addressing why the student is deserving of this scholarship. The student is required to write a one-page essay describing his/her need for the scholarship. Both must be included with the application and BSEF cover sheet.

Completed applications for the initial scholarship need to be submitted to your high school counseling center by the **last Friday in February**.
