

## Blue Springs Education Foundation Granting Dreams Application

The Blue Springs Education Foundation's Granting Dreams program is designed to turn dreams into realities for Blue Springs School District students grades 6-12. Grants, or financial support, of up to \$250 will be awarded, as well as opportunities for community resources. Students are encouraged to submit a request that improves student achievement, allows for experiential/hands-on learning, and increases opportunities for gaining entry to specific colleges or acquiring marketable skills.

**Eligibility:** Grants are for individuals only; groups are not eligible. Due to MSHSAA rules, we cannot fund athletic endeavors for students after completion of seventh grade.

**Application:** Applications will be judged blindly. Do not include the name of the student, school, teacher, or principal in any of the answers or responses. Be sure to answer all the questions. Please submit applications to your counseling office.

The grant will be awarded directly to the dream location or reimbursed to the student once proof of payment is available.

**Applications must be submitted to your counseling office and are due on Wednesday, November 6, 2019.**
