

McCarthy Auto Group STEM Scholarship

The McCarthy Auto Group along with the Blue Springs Education Foundation are seeking applications from seniors at Blue Springs and Blue Springs South high schools who are pursuing a future career in the field of science, technology, engineering or mathematics. One recipient from each school will be awarded a \$1,000 non-renewable scholarship payable to an accredited college, university or technical school. Recipients will be chosen who have a GPA of 2.5 or above and are involved in their community and/or school.

The scholarship recipients will be honored at the Blue Springs Education Foundation reception in April.

Please submit applications by the last Friday in February with the Blue Springs Education Foundation cover sheet attached to your high school counseling office.
