

The Visionary Scholarship

The Visionary Scholarship is seeking dream-chasing applicants from the senior class at Blue Springs South High School. The recipient will receive a \$1,000 scholarship and will be recognized at the April Blue Springs Education Foundation Reception. The scholarship will be awarded to the student who is able to articulate their ultimate dream. The recipient must be attending a two or four year accredited university or technical training program.

University or career technical training program you are planning to attend:

Field of Study: _____

Write an essay describing your biggest dream. The essay should be well thought out and clearly define what your dream is. You may use the following questions as a starting point, but are not required to do so.

- How did your dream come about?
- What have you done to try and reach your dream?
- What will you do in the future to reach your dream?
- What would happen if you didn't reach your dream?
- Why is your dream unique?

Include two personal references, outside of your family, who can attest to your character. Include both an email and phone number for each of the references.

1. _____

2. _____

Completed applications need to be submitted to your high school counseling center by the **last Friday in February**.
