Middle School Honor Courses

Blue Springs School District
Education with Distinction

Honor courses are taught at an accelerated pace and at advanced level of difficulty, with the goal of preparing more students for the rigorous fast paces of high school Advanced Placement and dual credit classes.

The texts, writing assignments, and other assessments in these courses are all more demanding and will require an increased time commitment outside of the normal day: expect up to 3 hours of outside-of-class preparation each week per class.

Ultimately these classes should help more students be college and career ready, as evidenced by their performance on the ACT, SAT, TSAs, and ASVAB assessments.

The ACT logo features the letters "ACT" in a bold, blue, serif font. A red swoosh underline is positioned beneath the letter "A".

ACT[®]

The "achieve more" logo consists of the words "achieve" and "more" stacked vertically in a white, lowercase, sans-serif font. The text is contained within a blue speech bubble shape that points downwards.

The SAT logo displays the letters "SAT" in a large, black, serif font. A registered trademark symbol (®) is located to the upper right of the letter "T".

The ASVAB logo features the letters "ASVAB" in a bold, blue, serif font. The text is set against a background of vertical red and white stripes, similar to the American flag.

THINGS TO REMEMBER WHEN SIGNING UP FOR HONORS CLASSES:

- ✓ Students should expect to spend up to three hours per class each week on outside-of-class test preparation and assignments.
- ✓ Students will be expected to do more critical thinking and therefore may find earning an “A” to be more challenging.
- ✓ No curriculum pacing changes will be made to lower the level of difficulty of the course.

- ✓ Attendance is critical; it is imperative that your student is in class everyday.
- ✓ Withdrawal from honors classes will be considered *only* during 1st semester. If a class change is made, the grade will follow the student.
- ✓ Students who drop honors classes will not be allowed to pick them up again 2nd semester.
- ✓ A student can add an honors class at semester if he/she has a recommendation from their existing regular class teacher.
