

# 6th Grade Success Club

MORELAND RIDGE

- Beginning Tuesday, September 26th, 6th grade students have the opportunity to attend Success Club every Tuesday or Thursday until the end of the semester. This is a place that you can go, sit, and work in a quiet environment to help you get your assignments completed.
- Meeting times will be Tuesdays after school until 3:15 pm or Thursdays before school at 7:00 am. *Please arrive promptly to pick up students near the front office after Success Club on Tuesdays.*
- Success Club is not a club that you have to sign up for ahead of time. Students are welcome to join us and complete work at any of the meetings.
- ***Attendance at 10 sessions***, does qualify as a MRMS school-sponsored activity as part of the PBIS incentive program.
- Please remember that **this is not a tutoring session**. If you need assistance from a specific teacher, you will need to contact that teacher for his/her tutoring schedule.
- Success Club will be held in the classroom of a 6th grade teacher. Locations of Success Club will change, but these locations are visible and available to students on several posters throughout the 6th grade hallways.
