TOP 6 REASONS to be a Girl Scout:

Girl Scouts lead the future! Today's girls have an opportunity to choose their future. With your support and guidance and Girl Scouts' expertise in building girl leaders, the future has endless possibilities.

Girl Scouts can't wait to try new things! She'll discover she can do things she never thought she would—or could do as she learns self-confidence and valuable skills that will last a lifetime.

Girl Scouts find friends for life! When girls connect with other girls their age with the same interests, friendships develop. Many teen Girl Scouts still count the friends they made as Daisies among their best!

Girl Scouting works! For more than 100 years, Girl Scouts has shaped the lives of the majority of female executives and business owners, community leaders and mothers. Girl Scout Alumnae have attained higher levels of education, display a more positive sense of self and are more engaged in volunteerism.

Girl Scouting is a family experience! Girls need female and male role models supporting them through their leadership journey. Join your girl and become one of our 9,000 inspiring, hardworking adult volunteers.

Girl Scouting is a great investment! Invest in a girl and help her become a leader today and into the future! Girl Scouting begins with an annual national membership of \$25, the purchase of a few essential program items and some troop dues.

The Girl Scout Program provides robust skill-building experiences that are progressive and girl-led in the following areas:

STEAM

Entrepreneurship

Civic Engagement

Outdoor Experiences
