The members of Blue Springs Early Childhood PTA invite you to become a business member for the 2018-2019 school year. Early Childhood PTA is an organization specifically designed for parents of newborn children through six years of age. We provide developmentally appropriate activities designed to guide and teach young children through creative, imaginary play along with fun life experiences.

In addition, Early Childhood PTA plays an active role providing resources through the Success by Six program, Parent as Teachers and the Liggett Trail Education Center in Blue Springs.

As a PTA we plan a monthly event within the community and have a Lunch Bunch for the kids. At our lunch bunches the children are able to eat their lunch and socialize with others. We also provide a craft, game, or activity and lots of open play.

Business membership is only \$25 for the entire year! Along with supporting the community and your local Early Childhood PTA, your business will be noted as a supporter on our Facebook page, and in the publications we send to our families three times a year. We would also appreciate support in the form of donations of seasonal crafts, food for a Lunch Bunch, or holiday items.

We invite you to show your support by completing the accompanying form and returning it to our membership chairperson:
