

School Supply Notice 2018

Dear Parents of District Pre-Schoolers and Incoming Kindergarteners:

We are pleased to share with you that this school year all of your students' school supplies will be provided by EPIC Church/EPIC Coffee. This includes all of the district's incoming kindergarteners (all 13 schools), TK students, 4-year old Early Childhood Title I students, and Liggett Trail Education Center program students. School supplies will be made available to students at the time of their "round-up" event prior to the start of school Wednesday, August 15th. The items provided will be those identified on the district's updated 2018-2019 Supply Lists.

Please note that parents will still be responsible for backpacks and lunch boxes and may also still provide their student's school supplies if so desired.

Thank you to EPIC Church/EPIC Coffee!

For additional information, please contact your school principal.

Sincerely,

The BSSD Pre-K to 5 Administrative Team
