Each college application will require a separate, official high school transcript. Permission to Release for is available at the counseling office or [Transcript Release](#). Students may send 3 transcripts without charge they must be 18yrs of age to sign the release otherwise we will need a parent signature and they may send their Final Transcript upon graduation without charge. A fee of \$4. Is for each additional transcript. This fee can be mailed or paid in person in the office. Cash or check only.

Office Procedures and Appointments

The Blue Springs Counseling/A+ Office, located across from the library in the 500 building, we are open from 7am – 3pm transcript requests between 7:30am – 2:30pm on weekdays. We encourage students to drop in before school to make appointments with their counselor to ensure they will have uninterrupted conference time. Parents may call to make an appointment and the secretary will arrange a mutually convenient time.

As always our [Counseling Website](#) has current up to date information.
