Did you know that you can get Parent Portal on your phone? If you have an android go to Google Play. If you have an iPhone go to the App Store and look for this logo. The district code is: NWBF. Then you sign in just as you would if you were using your computer. If you need assistance logging in to Parent Portal please don't hesitate to contact the front office.

The Blue Springs School District also has an app. Again, just go to Google Play or the App Store and look for the logo.
