

BLUE SPRINGS R-IV SCHOOL DISTRICT
Standard of Student Conduct
Student-Parent (9-12)

School Year 20____ - 20____

Student's Name _____ Grade Level _____

This document is based upon policy established by the Blue Springs Board of Education and addresses provisions of the Missouri Safe Schools Act, the Federal Gun Free Schools Act and other pertinent laws which support schools being safe places for students and employees. Each student is expected to further his/her education and to respect each student's right to learn in a safe environment. The Standard of Student Conduct applies in school buildings, on district grounds, at school activities, at bus stops, in vehicles used to transport students for the school district as well as behavior outside of school which causes a disruption which is prejudicial to good order and discipline in the school. These standards, though fundamentally the same for K-12 students, will be applied to appropriately address the emotional, developmental and intellectual level of the student. **Non-compliance with these standards may result in suspension, expulsion and/or reporting to the appropriate agency including law enforcement which may result in removal from school grounds.**

Students are provided with a Student Handbook at the beginning of each school year or when admitted to the Blue Springs School District. The Student Handbook, based upon the policies of the Blue Springs Board of Education, details the proper deportment of students and discipline consequences. A copy of the policies of the Blue Springs Board of Education is available on the district website www.bssd.net or can be provided by the school's principal.

Violators shall be referred to the appropriate legal authorities and are also subject to long-term suspension or expulsion from school. The District prohibits any form of sexual harassment. Reports of such incidents should immediately be made to building administrators. Disciplinary action may include suspension, expulsion and referral to the appropriate authorities.
11. The Blue Springs School District will appropriately report and make available the record of student incidents to appropriate individuals, agencies, schools, and the police as required by law.

Students are expected to familiarize themselves with **all** rules and regulations presented in their student handbook. These standards of conduct also apply to night school and to summer school programs following the regular school year.

I have read and do understand the Blue Springs Standard of Student Conduct and the expectation that the student signed this document will follow all the disciplinary rules and regulations of the Blue Springs School District as referenced above, in the Student Handbook, and in the policies of the Blue Springs Board of Education.
