

PowerSchool Mobile

PowerSchool Parents and Students have access to real-time student information via the free PowerSchool Mobile app, creating better communication, collaboration, and success within a child's learning experience.

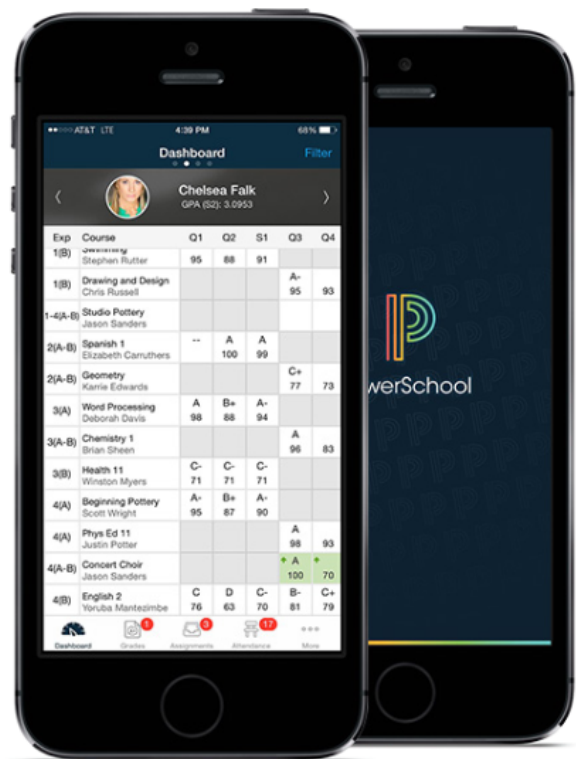

Mobile Anywhere Access to Real-Time Student Data for Parents and Students

Conveniently portable and powerful, the all-new PowerSchool Mobile app gives parents and students access to real-time information on grades, attendance, assignments, scores, and comments. With a clean, easy-to-use interface and intuitive design, the app allows parents to monitor their child's proficiency on standards and register to receive immediate alerts specific to their child.

Features of PowerSchool Mobile App:

- Access from iOS or Android mobile devices
- Access student homework assignments
- Real-time grades and attendance
- Teacher comments
- See all of your children under one parent account
- Daily bulletin board
- Course schedule
- Integrated family calendar
- Fee transactions and balance
- Automatic email messaging
- Instant push notifications for attendance or grade changes
- Track each student with grade trends

PowerSchool Mobile is available to Parents and Students to download for free as a combined Parent and Student app from the App Store for the iPhone®, iPad®, iPod touch® and Apple Watch, or on Google Play for Android devices.

Also available for the Apple Watch!

PowerSchool Parent/Student Mobile App Information
